

WHAT TO BRING TO CAMP

JUNIOR CAMPERS: (3's, 4's, 5's)

Parents of preschool campers who have indicated on the Junior Camp Profile form that they would like to speak with their child's Head Counselor will receive a phone call sometime during the week before camp begins. Here is some additional information you will need as you make your final preparations for the beginning of camp. The following items will remain in your camper's room and should be brought either to Open House or on your child's first day of camp. Remember that ALL items either worn or brought to camp need to be clearly labeled.

A labeled Ziplock bag with an extra set of clothes, including socks and underwear

Preschool rest mat for the 3 and 4 year olds

Sunscreen

Sandals, flip flops, or crocs for the walk to and from the pool

Each day you will need to pack a bathing suit and towel for your child. If your child has swim early in the day, you will be advised to send your camper in their bathing suit to camp and to pack clothes and underwear in their backpack. Send a plastic bag for wet items being sent home each day. Please remember to apply sunscreen at home before coming to camp and your child's counselors will reapply it during the day. If your child will wear one, a hat/visor is also a good idea.

OLDER CAMPERS:

Campers who are completing Kindergarten through the 7th grade need to bring the following items in a backpack to camp each day:

Bathing Suit and Towel - All campers swim each day

Sandals, flip flops, crocs etc. for the walk to and from the pool

Sunscreen and Hat /Visor

The following items should NOT be brought to camp as they may be lost or damaged:

Electronic game systems/games (PS2, Gameboy, DS, etc.)

Ipods or other MP3 players

Money (there is no vending machine use during camp)

Any other valuable items

**We look forward to having your children with us this summer.
