- 1 National Gold Key, 6 National Silver Keys, 13 Gold Keys, 14 Silver Keys from Scholastic Art award winners

- 3 State Finals; 6 Regional and 5 District Championships in athletics
Our School
American Heritage School is an independent, non-sectarian, co-educational day school for Grades PK3 through 12 with approximately 1,400 students. The high school, Grades 9-12, has a student population of 725 students. Our student to faculty ratio is 8:1. American Heritage School is a tuition-only school where, in an effort to make all families equal, we do not ask for nor accept donations. We are completely managed by veteran educators, and we have no governing board. It is paramount that all our staff have a vested interest in American Heritage, therefore, faculty and staff children receive full tuition to our school.

A College Prep Experience
Our school resembles a small college in size and design with facilities and labs similar to those on a college campus. American Heritage School gives its students a rigorous, traditional education in a forward-thinking, technologically advanced, well-rounded environment. Our elite students, 100% of whom are accepted into 4-year universities, are uniquely prepared to be leaders of the 21st century, who embody knowledge, integrity, and compassion. To this end, we strive to offer a challenging college preparatory curriculum serving students of bright average to gifted intelligence and aim to develop critical thinking skills, problem solving abilities, and lifelong learning. American Heritage offers financial aid and academic and fine arts scholarships.

School Community
We believe that in addition to academics, arts and athletics, students should develop a strong sense of social responsibility. In order to provide students with that opportunity, we offer over 60 student clubs and organizations created and headed by students and each supervised by a faculty adviser. We celebrate diversity and welcome students of all religions, nationalities, ethnicities, and races. Our focus is to create a community of scholars who respect individual and group differences and who seek to become responsible citizens.

AP/Dual Enrollment = 6.0

Faculty
The students of American Heritage School are served by 70 instructors, counselors, and administrators, of which 55% hold Masters or Doctoral degrees. In addition to having AP readers on our staff, our pre-professional courses are taught by prominent doctors, judges, and attorneys, who are currently practicing in their fields and are dedicated to the students and their success. This brings resources and points of view uncommon to many high schools. Faculty turnover is minimal. To foster educational best practices and a love of learning, all of our teachers participate in professional development throughout the year. Parents and students respect our dedicated, professional, competent and caring faculty.

Fine Arts
Our Fine Arts Department is recognized internationally. We welcome students with all abilities in the arts, and our low student to teacher ratio gives each student the chance to develop skills at his/her own pace. We feel that a student should be well-rounded, so we teach performance techniques and hands-on application, combined with theory in all disciplines of study. We give all students various opportunities to display their talents both on campus and throughout the region, country, and world.

Athletics
American Heritage offers a complete competitive sports program for boys and girls, with teams in all major sports. We have a "no cut" policy that allows every student who wants to participate an opportunity to play on the Stallion team of his or her choice. Our coaches provide a high-quality level of instruction enabling students to further develop their skills and build good character, leadership, and respect for others. Awards evenings are held for athletes and parents at the conclusion of each sports season.
