CAMPER CODE OF CONDUCT

Dear Parents,

In order for all campers to have a safe and enjoyable summer, campers must demonstrate good behavior and respect for others. Please take a few minutes with your child to review in your own words what is expected of him/her while attending camp from the Camper Code of Conduct listed below. This form must be signed and returned to the camp office.

I agree that I will do the following while attending camp.

1. Take responsibility for my actions and abide by all camp rules and policies.
2. Treat my counselors with respect, kindness, and honesty.
3. Listen attentively to my counselors and coaches.
4. Respect the property of others.
5. Be aware of my need for self-control throughout the day.
6. Show support and compassion for other campers by listening, encouraging and helping them during camp sports and activities.
7. Play games in a fair manner by demonstrating good sportsmanship and encouraging fair play.
8. Ask my counselors or other adults for help if I feel unable to meet these expectations.
9. Always try my best and have fun in ways that are safe to myself and others.

I understand that if I do not obey these rules, my parents will be notified. I also understand that serious misbehavior or repeated misbehavior will result in my being asked to leave camp.
